# History

The first Dar-e-Arqam School was established in Sargodha in 1990. Then, like-minded people gathered and spread the rays of knowledge in a very short time. These schools are progressing and increasing in number tremendously. Right now, The Dar-e-Arqam School is the Largest School network in Pakistan with 700+ branches across 150 cities. This appreciation and recognition by the society are because of its unique way of imparting modern education with Islamic perspective.

Being submissive and humble to the will of Almighty ALLAH, we relate this institution to the very first educational centre of Islam, "Dar-e-Arqam" established at Hazrat Arqam Bin Arqam's house in the plains of Koh-e-Safa by Hazrat Muhammad (S.A.W). The Prophet Muhammad (S.A.W) gets his believers gathered in a small house and laid the foundation of rich civilization that produced marvellous blessings and countless human role models.

In this age of aimless materialistic and secular approach towards education, Dar-e-Arqam is the pioneer school of formal education where you may witness quite comfortably, a sublime blend of high standard contemporary education with a revealed moral and ethical ethos. Our dream is to equip our students with modern education along with moral and spiritual training to make them impactful citizens, true Muslims and beneficial part of their respective fields. Among traditional religious seminaries and contemporary formal education system, Dar-e-Arqam Schools reflect the goods of both worlds.

# Departments

## Research and Development

R&D functions entail the development of new, improved books supporting the latest pedagogical approach. Compilation of workbooks not only attract children but also appeal to their psychology providing Day-Wise Planners and Academic Calendar. DAS syllabus is not picked and chosen for what is there on the shelves in the market but masterpiece combination of Islamic and worldly knowledge. R&D focuses on contemporary educational trends contributing towards holistic development of a child.

## Training and Monitoring

Training and monitoring Department functions with a vision to develop a motivated, proactive, dedicated and disciplined team of "Educators" through high-quality capacity building for top class service delivery and is striving hard to train the maximum number of Teachers & staff members. It is the apex training department responsible for imparting quality training to the management and all the team members in our schools throughout the Region.

## IT Department

The School management system has been supervised by the IT department. All the data related to student academics i.e., attendance, examinations, results and timetable updated digitally on DAS mobile application and software, which is easily accessible to parents. Likewise, basic computer training has been provided to staff and students through customized curriculum, to get them up to speed with the latest technology.

## *Department of Student Affairs*

Academic qualification is, no doubt extremely vital for the making-up of an imposing personality, but co-curricular activities also play an equally important role in developing of a well-balanced persona. DSA along with building a strong connection between students & management deals with all kind of student affairs, giving them proper representation and polishing their natural abilities through the organization of different extra-curricular activities.

## *Loh-e-Arqam*

A School Magazine to enhance the literary prowess and foster creativity in Students. This Magazine has been publishing on annual basis since 1997. Likewise, administration of Loh-e-Arqam prepares students throughout the year to participate in different extra-curricular competitions organized by Government institutions. So far, Dar-e-Arqam students have won 385 awards in these contests which includes Qirat, Naat, Essay Writing, Debates, Science Models and all sort of Extracurricular competitions.

## *Sports Department*

# Distinctions of Dar-e-Arqam Sargodha

## Scarlet Series

An attractive Activity/creativity-based/Fun for Learn Curriculum designed for Montessori classes in line with modern trends of early childhood education.

## Activity-Based Learning

Activity-based learning especially in Junior Classes is assured to clear the concepts & develop a better understanding of different ideas. It is a comprehensively designed Pre-school curriculum that focuses on hands-on or activity-based learning for Montessori. Theme based activities have been conducted throughout the year planned around children's interests, curiosity and their natural quest for knowledge. It fosters the pre-schooler's growth and encourages interaction.

## CURRICULUM

Keeping in line with the national curriculum & contemporary learning trends, Dar-e-Arqam Research & Development team is working all year-round to update and modernize the syllabus for its network of 700+ schools nationwide. DAS syllabus is not picked and chosen from what is there on the shelves in the market, but a masterpiece combination of Islamic and worldly knowledge. Database has been developed by DAS curriculum & syllabus department experts and is being implemented in a practical form at all levels of DAS School System.

## Total Child Development Program

For the first time in Pakistan, Dar-e-Arqam schools have introduced a comprehensive value education program comprising of theme-based TCDP books and assembly manuals. TCDP has been designed to ensure our student development reaching beyond the scope of curricula. It targets holistic growth including social, physical, emotional, verbal and spiritual aspects of a child's life, making this program a recipe for creating responsible citizens and good Muslims.

### **English Language & Communication Skills**

English mode of teaching is prioritised in the Classroom Environment as well as in all Public Speaking Platforms to strengthen the grip on English as a second language. Likewise, Confidence Building in terms of nourishing communication ability of each student is our primary objective. So, its compulsory for every student to present his ideas & assignments in the Classroom through whiteboard presentations.

### **Examination System**

DAS has well-researched "centralized examination system" executed at the end of two academic terms within a year. Alongside, there are two mid-term exams to further strengthen the system and to enable the student to prepare themselves for final exams. While daily, weekly and quarterly test system have been developed especially for 8th, 9th and 10th classes.

### **Hifz e Quran and Nazra Quran**

Dar-e-Arqam is the trailblazer of launching Hifz class with a view to give an overriding status to the noble practise of committing the Holy Quran to memory. Hifz Classes enjoy a VIP status with well-furnished and fully air-conditioned classrooms. These Students are also kept closer to basic knowhow of formal education.

### **Dar e Arqam TV**

A unique initiative that covers all major student activities in the campus & extracts the talent of Arqamites.

### **Educational and Recreational Tours (International and National)**

Dar-e-Arqam has brought the opportunity of International Trips to Turkey, Malaysia, Azerbaijan and Srilanka for Administration and Students to explore the World and know the different perspective & trends of Education.

### **Parents Teacher Meetings**

Education of a child is invisible until the parents keep getting a clear picture of their child development and progress on regular basis. Parents teacher meetings are arranged quarterly so that parents can have regular feedback and play their role in the successful development of their child.
